STRAWBERRY

There's only one way to make the best strawberry ice cream. Start with the best freshly picked strawberries. We then ripple them through our Alpine cream... strawberry Swiss style.

VANILLA DREAM

As iconic as our flag, our Vanilla Dream is a Mövenpick classic. We blend Madagascan Bourbon Vanilla with Alpine cream. So good you'll think you're dreaming.

WHITE CHOCOLATE

Chocolate as pure white as the snow capped Alps. Alpine cream swirled with Swiss white chocolate and crunchy white chocolate shavings will take you to the highest peaks of delight.

PASSION FRUIT & MANGO SORBET

Even exotic fruits love the cold. Sun-ripened passion fruit from South America, loaded with sweet mango pieces from India.

SWISS CHOCOLATE

We may be blowing our own Alphon but we believe Swiss Chocolate is the best in the world. It's even better rippled through our Mövenpick ice cream!

CARAMELITA

Basel's Lächerli Huus really know their Caramel. All we know is that it goes perfectly with our ice cream.

PANNA COTTA RASPBERRY

We love waking up to the fresh air and so do our raspberries. We pick them in the early morning hours when they're at their best and perfect for blending with our Alpine cream.

RASPBERRY SORBET

We love waking up to the fresh mountain air and so do our raspberries. We pick them in the early morning hours when they're at their best.

CAPPUCCINO

Good ice cream starts with the cream.... And good coffee starts with the bean. That's why we only use the tasty Arabica beans from Colombia. It has such an authentic coffee flavour you may want to have it for breakfast!

MINT CHOCOLATE

Alpine cream, crunchy Maracaibo cocoa shavings with a zing of mint make this ice cream as fresh as a morning walk on a Swiss glacier.
